## SEDRICK'S SAFETY TIP

Halloween can be a fun and exciting time, but it's important to prioritize safety. Here are some tips to keep in mind:

- Make sure costumes are visible in the dark by using reflective tape or carrying a flashlight.
- Only visit well-lit houses and stay on sidewalks.
- Don't enter a stranger's home or car for any reason.
- Check treats for tampering before consuming them.
- Keep an eye on younger children and establish a curfew for older children.
- Consider organizing or attending a community event as a safer alternative to traditional trick-or-treating

## It's Harvest Time!

As fall arrives, it brings cooler weather, changing leaves, shorter days, and harvest season. Be prepared for increased traffic from farm machinery and semi-tractor-trailers passing through town. Here are a few safety tips to keep in mind:

- **Stay alert:** Watch for slow-moving vehicles and farm equipment on the roads.
- **Keep your distance:** Give plenty of space when passing farm machinery, as they can turn unexpectedly and may not always be able to see you.
- **Watch for possible debris** that may fall.

### NOTICE

This past month city staff has begun sending out notifications for unlicensed and inoperable vehicles. If you have one of these, expect to get a letter notifying you and please consider fixing, renewing expired tabs, moving, or enclosing your vehicle.

### REMINDER SNOW ORDINANCE - NOV 1ST

If there is an inch or more of snow on the road, or if the city has declared a snow emergency, all vehicles must be removed from the street. Any vehicles left behind will be subject to ticketing and/or towing at the owner's expense.
